

IN THE SPECIFICATION

Please replace paragraph 0013 (as published), which on 1 August 2003 was originally filed at page 3 line 34, with the following new paragraph 0013:

[0013] ~~FIG. 3 depicts~~ FIGs. 3A, 3B, and 3C depict three different configurations of the 8 cell battery system comprised of a 6 cell and a 2 cell "add-on" subsystem. The three different orientations of the 2 cell "add-on" subsystem permit the battery to be used when physical dimensions and balance point requirements change from r/c model to model.
